Good medical practice (2013)

Welcome to the Good medical practice homepage.

Read *Good medical practice* (GMP) on these pages where we've added links from relevant sections of the guidance to:

- explanatory guidance
- interactive case studies which bring to life the principles in the guidance
- cases heard by medical practitioners tribunals, which provide examples of where a failure to follow the guidance has put a doctor's registration at risk.

[Read the guidance](#) using the navigation arrows at the bottom of each page or jump to a particular domain of the guidance:

Updates to the guidance

We updated *Good medical practice* (2013) on 29 April 2014, to include a new duty about doctors' knowledge of the English language.

Bringing the guidance to life – what would you do?
