

ESRC Seminar Series:

Re-imagining professionalism in mental health: towards co-production

We warmly invite you to participate in the 5th seminar of the series. The focus of this seminar is on stories that potentially reconfigure relationships and social relations to encourage authentic power-sharing. The seminar provides an opportunity for debate between service users/survivors, carers, academics, and professionals from voluntary and public organisations.

Location: University of York, Research Centre for Social Sciences Building, 6 Innovation Close, YO10 5ZF

Date 3rd March 2017

Registration: <https://esrcseminar5.eventbrite.co.uk>

Follow us on the day via Twitter @ESRCcopro #ESRCseminar5

To apply for a travel bursary (available to service users, carers, and professionals in voluntary organisations), please email: hssresearchoffice@leedsbeckett.ac.uk
